ABOUT US

Instant Toilets & Showers are dedicated portable sanitation specialists, offering a complete range of products and services to Australia. The company was founded in 2006 and has since grown to be the leader in the manufacture, hire and service of portable sanitation products in Australia.

Instant Toilets & Showers specialise in providing high quality portable sanitation services to a wide variety of industries. Instant Toilets & Showers has the experience to manage all aspects of your portable sanitation requirements.

WESTERN AUSTRALIA'S LEADING PORTABLE SANITATION SUPPLIER

WHY WE ARE LEADERS IN PORTABLE SANITATION

RANGE

Our range of portable sanitation products is as impressive as our service! We ensure that our fleet is well maintained to meet the demand of our customers and have the capability to respond quickly to increased demand, as a result of our high volume of stock.

INTELLIGENT SOLUTIONS

With a wealth of experience within our industry we have the knowledge and ability to design a solution to meet your needs.

24x7 SERVICE

Our fleet of products and service vehicles are available anytime for emergency deployment. We offer a dedicated After-Hours Support service to ensure we are available for our customers at all times. This allows us to respond quickly to unforeseen needs and emergency situations.

QUALITY

Instant Toilets & Showers is a quality endorsed company operating to the highest of international standards. We hold the following ISO Certifications:

Quality Systems ISO 9001:2015

Health & Safety Management Systems
ISO 45001:2018

Environmental Management Systems
ISO 14001:2015

EXPERIENCE

Instant Toilets & Showers have been involved in over 50,000 individual projects since our launch into the market. We have showcased our abilities at Perth's largest public events, construction projects and in emergency situations, just to name a few.

ENVIRONMENTALLY RESPONSIBLE

Instant Toilets & Showers is an environmentally responsible company.

We have spent countless hours, researching and sourcing products that are environmentally friendly alternatives to common chemicals wherever possible.

Instant Toilets & Showers is accredited to ISO 14001:2015 showing our commitment to being environmentally responsible.

QUALITY

Instant Toilets & Showers is a quality endorsed company operating to the highest of international standards. We are ISO 9001:2015 Certified.

SAFETY

Instant Toilets & Showers is also ISO 45001:2018 Certified

WASTE TREATMENT

The effective treatment of waste is one of our priorities. Our company ensures waste is always treated in a responsible manner. We have chosen to use enzyme based waste treatment solutions in our toilets, where possible. Not only is this product environmentally friendly but the product has proven to be extremely successful in controlling odours.

By using this environmentally friendly product in our units should there ever be a waste dispersal onsite either by accident or vandalism, we can ensure that the impact is minimal and non-hazardous.

WASTE REMOVAL

Instant Toilets & Showers operates its own fleet of liquid waste removal vehicles as part of our overall service offering. We can provide bulk waste removal from waste tanks at a frequency that suits your needs. Our fleet is available 24 hours a day, 7 days a week and we also offer the option of standby operations at events.

FOR A BETTER TOMORROW

We are continually looking for ways to reduce our environmental impact within our business and in the products we offer to our customers. We've introduced the following initiatives in our hire fleet.

- Reducing water consumption by utilizing low flush toilet suites and time delay tap ware
- Reducing energy consumption by reducing the volume of waste generated in our toilets
- Reducing energy use by using LED lighting on our transportable buildings

Toilet-iQ

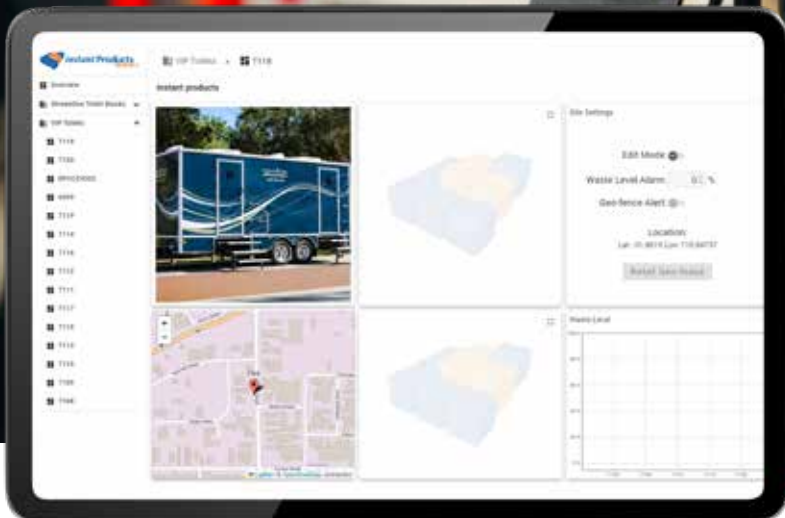

Toilet iQ has been designed to offer live monitoring of a toilet or ablution block anywhere* (providing 4G or WIFI with internet connectivity is available). With Toilet-iQ you have the ability to not only monitor the status of the waste tank but you can control how you want to be alerted (SMS/ Email) and when. Alerts can be triggered at suitable points allowing enough time for servicing of waste tanks to occur, rather than finding out when it's too late.

Unlimited alert points can be set with any number of individuals added to receive different levels of alerts.

Toilet-iQ also offers the ability to

- Shut off the incoming water supply to stop a unit from being used
- Turn off interior/exterior lighting
- Lock external doors to stop people from accessing the unit

Using highly accurate data logging capabilities in our custom web based portal, you'll be able to accurately set a servicing schedule that suits the usage pattern for each unit on your site.

ATTENDANTS

ONSITE ATTENDANTS

Instant Toilets & Showers can provide you with onsite attendants to maintain our products to the highest standards of cleanliness and hygiene for the duration of your event.

When you engage the services of our onsite attendants, we provide all necessary cleaning equipment and consumables to ensure your guests' expectations are met.

BLACK TIE ATTENDANTS

When you choose our Six Star VIP toilets, you can select a Black Tie onsite attendant to further enhance the event experience for your guests. This will enable you to provide a premium experience for your guests.
